

Workshop on Security & Protection of Information (SPI21)

21-23 June 2021

Brest - France

With a great pleasure, the organizing committee invites you to submit your original unpublished work to our Workshop on Security & Protection of Information (SPI21) which will be held in Brest, a charming small city of north west France, on 21-23 of June 2021.

Further information can be found on: <https://spi2021.ensta-bretagne.fr/>

Due to the pandemic, the workshop will be held as online and on-site conference

Submission

Submitted manuscript must be in the English language according to the following format: double column, 10pt font. All files should be submitted by email in PDF format and named by the name of authors (Firstauthor_2ndauthor.pdf). The manuscript (including, title, authors' affiliation, abstract, keywords, main text, figures, tables, appendices and references) should contain no more than 12 pages. At least one author of any accepted paper must register and present the paper (presentations can be done by videoconference).

Papers should be sent by email to: ali.mansour@ensta-bretagne.fr

Registration

Registration is free of charge; However authors and attendees are required to send an email with their affiliation information to :

ali.mansour@ensta-bretagne.fr

Registered Attendees will have access to:

- Admission to workshop sessions
- E-proceedings and materials

Venue

Department of Science and Technics of Information & Communication Engineering, ENSTA Bretagne, France

<https://www.ensta-bretagne.fr/en>

Access to ENSTA Bretagne

Brest enjoys a strong transportation infrastructure: an international airport, highway access from Paris and Nantes, high-speed (TGV) train connecting it to Paris. Further information can be found on:

<https://www.ensta-bretagne.fr/en/getting-ensta-bretagne-its-easy>
